

MACCI/EPOS FIRESIDE TALK WITH JAN EECKHOUT: THE PROFIT PARADOX

In this early evening live event, Martin Peitz will ask questions to star economist Professor Jan Eeckhout (Universitat Pompeu Fabra, Barcelona) about Jan's book "The Profit Paradox." In this book Jan explains how a few "superstar" firms have amassed market power and hurt average working people around the world. Jan also talks about concrete solutions to effectively address the problem.
